## *The Golden Age of Radio is Back!*

*"... hilarious tribute to the glamour, the style and the political incorrectness that was the pre-television era." The Daily Edition*

Live to air radio – they were the stars of their era. Michael Veitch (*Fast Forward*, *D Gen*) is back doing what he is loved for – original comedy.

Simon Oats joins him on stage as the perfect matinee idol rogue, dashing former Squadron Leader, Tony 'The Ace' Hamilton.

Set in a 1940's radio station the original radio plays, *Flash Gordon* and *The Wax Works Museum* are performed, but there's even more drama on stage from the 'off-air' shenanigans.

Sharply written, intelligent comedy that crosses politically correct boundaries but manages to hold the audience by their heart-strings. A much-loved fading star is feeling the heat from a dashing newcomer. Talent vs stability, old vs new ... the drama doesn't just go 'live-to-air' - the laughs come from everywhere! This is without a doubt terrific entertainment with big laughs at a cracking pace.

Maleny Arts Council are bringing this wonderful entertainment to Maleny. You can find out more about them at

# Mary Valley Challenge

Sunday March 31st marked the first trial game for the new Hinterland tennis competition entitled the Mary Valley Challenge.

This social tennis competition consists of teams of three ladies and three men from the smaller hinterland clubs across a number of facility criteria. This criteria included, but was not restricted by, having four or less tennis courts and approximately 80 registered players.

The tennis clubs contacted included: Gherulla, Kandanga, Witta, Landsborough, Glenview, Mapleton, Kin Kin, Pomona, Gympie Queens Park, Wombye and Maleny. However, due to the short turnaround of nominations only three teams were prepared to play for the first match on Sunday.

Kandanga and Witta played some very close sets with both teams enjoying the new format which catered for the day comfortably being completed over four hours between 10.00 and 2.00 with time for a social lunch as well. Kandanga (playing with a last minute injury fill in from Witta) were victorious on the day 7 sets to 5.

The format for the day was four sets of mixed doubles per person. Sets were first to 6, however the format of short deuce and a sudden death tiebreak to five points at 5 games all was well received by all players, adding to the contest on the day.

There are only three more rounds to be played in this competition before a gala final's day where all teams will be invited to play regardless of their position on the ladder.

The dates for these games are:

**Sunday 16<sup>th</sup> June**

**Sunday 8<sup>th</sup> September**

**Sunday 3<sup>rd</sup> November**

**Gala day: Sunday 24<sup>th</sup> November**

If you are interested in entering a team email Adam Spence at [aspence@tennis.com.au](mailto:aspence@tennis.com.au)

# Cooke Park

Cooke Park is right in the heart of Maleny.

In season, a glorious flame tree nods its welcome over paths next to a plaque on the front gates that reveals the park's history.

**The plaque reads:** *This park was dedicated by all the children of the late A.C.K. & A.M. Cooke as a tribute to the memory of their parents.*

Pioneer and dairy farmer Alfred Charles King Cooke, his wife Ada Margaret and children settled in Maleny in the early 1900's and the family played a primary role in the town's development.

Granddaughter Margaret Thompson (nee Cooke), resident of Witta, is proud of her family

history. "In 1909, Granddad built a house in Maple Street for his family and named it 'Rosedale'. Later, it was converted to a guest house and is now known as Maleny Lodge.

He owned that land where Cooke Park is now situated and also the block next to it which he donated to the community for an ambulance station.

He also built the cattle saleyards which were next to the pub (where Woolworth is today) and then started a stock auction business," said Margaret.

Ada Cooke died 13 years before her husband and after A.C.K Cooke died in 1946, the family donated a block of land in Maple Street to the

community. A park was created in honour of their parents.

In 2009, Sunshine Coast Council implemented a streetscape upgrade in Maleny. This included work on the Cooke Park frontage adding to the charm of the playground with its cubby house, swings, climbing chains and spinner.

This equipment was again recently upgraded by the Council.

So as you pass by Cooke Park, or wait for the bus out front, spare a thought for those pioneers like A.C.K. Cooke and his family, whose generosity in making land available to our community helped provide families of today somewhere cool to sit or play with their children.

## Grab a Bargain at the Maleny Library Book Sale

Sunshine Coast Libraries, in partnership with the Friends of Maleny Library, invites readers to grab a bargain at our book sale on Saturday, April 6 from 9am to 12pm.

Community Portfolio Councillor Jenny McKay said it's a wonderful opportunity for residents to nab a book bargain.

"It's a win, win because the money raised at these books sales is usually put straight back into the library to benefit the local community" Cr McKay said. "However on this occasion, as a special gesture, the proceeds will be donated to Queensland farmers during their time of need.

The libraries are always removing old stock to make way for new titles, so there are lot of great items up for grabs at very affordable prices.

Titles on sale include popular authors and bestsellers, classic books and a range of genres including mystery, romance, thrillers and more.

Young bookworms don't miss out as there is also a range of junior titles on sale. There's even some DVD's and CD's on offer. Bring a bag and make sure you are early to grab a bargain.

So mark April 6th in your diary and help us make this the best book sale ever to support a worthy cause!

All Sunshine Coast Libraries memberships is free and anybody can join. Maleny Library is located at 5 Coral Street, Maleny.

For more information visit council's library website at;

<https://library.sunshinecoast.qld.gov.au/> or call 5475 8989.

# Queensland Governor to visit Glenferna

Some of you may know that last year, Queensland's Governor His Excellency the Honourable Paul de Jersey and Mrs de Jersey were invited to visit the Pioneer Village to thank the volunteers, donors and supporters of Glenferna. For many years, the property was known as "Glenfairie" Glenferna, a once-grand house near the Montville turn off, is a building that links us to the past. In the early days of the 20th Century, Maleny did not have a large enough population to warrant a post office, so *Glenferna* was registered as a Receiving Office

The Maleny Historical Society have just received an acceptance letter from Government House letting them know that their invitation has been

accepted and the date of their visit will be Saturday 15 June 2019.

This is exciting news for all the many people who

have been involved in this removal and restoration project; we look forward to hearing more details as the time gets closer.

For more info about the Maleny Historical Society, visit: <http://www.historicalsocietymaleny.com/>

## Maleny Show Pavilion as it was!

Not so long ago - in the lifetime of most of us the Maleny Show-grounds looked a lot different to what we see today!.

The photo shows the old pavilion which stood on the exact site that the "newer" one stands today. Much of the old building's

skeleton helped design the floor plan of today's building.

Notice Centenary Drive in the background and the Graham household standing out proud.

Certainly a lot has changed.

## Council encourages school children to "Get Ready"

The Sunshine Coast Council is urging Primary school pupils to get creative and come up with videos to encourage the community to be disaster ready and also have the chance to win great prizes.

This follows on from a season that has seen a number of weather events hit Queensland communities. Experience shows communities who are well prepared and aware before a disaster occurs, are more resilient and able to recover faster.

Schools from across the region are invited to enter the Sunshine Coast Get Ready schools competition, which will see children from across the Coast produce a short video that highlights the importance of having a "WHAT IF PLAN."

The Top 10 finalists will be played at the Sunshine Coast Emergency Services Community Expo on Sunday, May 19 where the community will have the chance to vote for the winning entry.

Entries open today (Monday, April 1) and close midnight Tuesday, April 30. For more information visit the competition page:

# The Range Croquet Club - Maleny

Thursday saw no play on the lawn because of inclement weather. This however is good for the grass which we want to be in great shape for the regional tournament to be played here on the 9th and 10th of April.

Sunday saw the first good weather for awhile and Vince Carbery and Frances Harper used the time well to find the hoop holes for the half courts in preparation for the visit by the Range Care group this Tuesday.

The attached photograph shows Priscilla Vickers our club secretary roqueting her partner ball in a game against Stuart Craig. She has just made hoop one back with red and will use the yellow ball to approach hoop two back to make it. Close inspection of the photograph will allow you to form an opinion as to whether or not she made the roquet by hitting the yellow ball with the red. She did and went on to make two back making a nice break and having a good turn.

Coaching for beginners and others is available on the lawn from 8 am to 10 am on Saturdays. These are popular sessions in a friendly, relaxed atmosphere.

Play days on the picturesque lawns at the bottom of the showground are, it being summer, 2.10 pm for 2.30 pm on Thursdays and Sundays.

For details contact Vince Carbery 54942193 (president), or Priscilla Vickers 54943555 (secretary).

# Maleny Precinct News

There's always something good to talk about on the Maleny Community Precinct. Here's an update on what's been happening recently.

Congratulations are in order to Barung Landcare. Their Business Case has been accepted by Council, who recently granted a 30 year community lease to Barung to establish a state of the art environmental education and resource centre on land now leased to them next to Parklands Drive.

Fellow leaseholders and members of the Precinct Advisory Group have fully supported Barung's case and are delighted at this news. Greg Williams from MDSRC said "Here's another great community and ecological venture on the Precinct. This will benefit so many, including our school children, and attract many tourists to the area, so our businesses will also share in this good news when it comes to fruition."

Rotary Club of Maleny are to donate seats, with help from Sunshine Coast Council, that are to

be installed under the fig tree on the family picnic area that MDSRC and Maleny's service clubs are creating on Maleny Sports Park.

Extensions to the MDSRC Clubhouse are about to commence, along with internal works to benefit users of the MDSRC

Discussions are well underway with the Park Run organising team to commence Maleny's own Park Run, run entirely on the Precinct. Talks are underway with MDSRC, and with Unity Water about the inclusion of trails within their leased area - we'll keep you posted on this popular activity coming to Maleny soon.

Clubhouse and Beersheba Living Museum. A new ceiling projector and screen are being installed, making the building even more user friendly.

The Business Case for the new Hydrotherapy Pool to be constructed on Maleny Sports Park is nearing completion, and the project team from the Maleny & Community Hydrotherapy Pool Association sincerely thanks the organisations of Maleny for their support of their pool on Maleny Sports Park on the Precinct.

In addition to their monthly opening, Pattemore House is set to open to the public each Friday, between 10 - 12 midday, and the Maleny Contract Bridge Club reports an upturn in people participating since the construction of their new clubhouse and games centre.
