Building Better Regions

One of the successful roles MDSRC carries out is helping member clubs identify and prepare grant applications. An important new grant opportunity will shortly be available, with the Commonwealth Government about to announce Round 4 of its "Building Better Regions" funding

Grants can be up to a maximum of \$10 million, and MDSRC is currently evaluating opportunities for possible projects on the Maleny Community Precinct. However, this does not exclude consideration by all member clubs to either submit applications, or pursue a collaboration with MDSRC for projects.

Assistance is available for projects on the Precinct, or at other sites with facilities that require additional development or upgrading, such as facilities at the Showgrounds or Witta Rec Club.

The following link carries all the information you need about this scheme:

<https://www.business.gov.au/assistance/building-better-regions-fund>

If your organisation would like to explore working with MDSRC to develop a shared or a separate application, please contact MDSRC at **malenysportspark@gmail.com** attention either Greg Williams or Mike Norman.

Maleny Cheese Factory reopens

Nine months after an arsonist targeted their factory, Maleny Cheese has finally reopened to the public, in time for the school holidays.

Police are still seeking help to find the firebug who was filmed on security cameras flying through the air at the site of the explosion.

Owner Sara Bucher says it was 'heart breaking' seeing cars 'streaming in' and having to turn them away. Fortunately, production was able to restart four days after the attack.

We were determined not to let the very foolish actions have a mark on our business," Mrs Bucher said.

The cafe, overlooking the factory floor has been rebuilt.

More than 30 jobs have been created by the 15-year-old business which is supplied by four local dairies, including one they bought themselves.

Maleny Sports Park News

Last week we brought you the good news about the Maleny Hydrotherapy Centre's steps forward.

This week, we'd like to share some progress from the Maleny Community Gym, who are also planning on moving onto Maleny Sports Park, on the Community Precinct.

Here are the artists impression of their new gym, that has been designed to nestle in next to the Hydrotherapy Centre.

Maleny Settlers

Green Progress

If you are a regular on the Community Precinct, no doubt you will have seen some earthworks

happening on 'Maleny Settlers

Green' - the new park that is being built on Maleny Sports Park by MDSRC and Maleny's service clubs. The overarching theme of the new park is to celebrate of the role of the area's earliest female settlers. With permission granted by Sunshine Coast Council to MDSRC and the project team, the developmental works are now set to move along at a good pace, with the locations of internal grassy paths mapped out already.

A small grassed amphitheatre has been crafted where it is envisaged poetry readings and other uses can take place, and some of the permanent seating is expected to go in shortly in the shape of timber park benches.

Rotary Club of Maleny, one of the project partners, have volunteered to set the new benches into position, next to the the magnificent fig tree in the north of Maleny Settlers Green.

Once installed, walkers will be able to rest a while and take in the sweeping vistas, some of the best views on the Precinct, and one of the reasons the site was chosen.

The installation of play equipment is planned, along with plantings of trees, shrubs and garden beds for visitors to enjoy as they take the meandering path through Maleny Settlers Green.

Families will also have direct access onto to the 5th Light Horse Regiment's "Ziza Fields" where they can enjoy the additional open space for picnics and games together.

Maleny Settlers Green is located close by the new car-park and the Maleny Trail network, making it very accessible by all.

We'll keep you posted as the works progress!

Rainy Maleny

Muscle on the Mountain, the much loved event by car enthusiasts, visitors and many more that was to be at Maleny Showgrounds on Sunday 7th July has had to be cancelled.

The recent deluge of heavy rain has left the grounds already very waterlogged, with more rain predicted.

Last year 800 odd cars were on show and organisers and the Showgrounds committee share concerns about the damage those sort of numbers could do to the grass in these conditions.

The event raises thousands of dollars for men's health every year - but it will be back next year so organisers look forward to seeing you then!

Please support Jared!

DRAG Queen Bingo is not your typical night out, but that is exactly the point. It will be a great night of fun, but it is more importantly it is to raise funds for Motor Neurone Disease.

Local identity, Jared Ashcroft said, "As most of you know I'm doing the "Bridge to Brisbane" in memory of my friend Joyce Newton who passed away from MND.

Jared is holding a major fundraiser on the 17th of August @ Maleny Showgrounds - Bingo with a twist!"

Please note this date in your diary, and support MND research by buying a ticket and come along, all proceeds to the MND Association Qld.

More details will available soon!

The Range Croquet Club - Maleny

Nambour fell to the strength of our Bray team on Saturday. Sarah Widin, Kath Smith and Robert Elliot from Maleny competed against Judy Starr, Robyn Pettman and Noel Stoddart from Nambour.

Robert lost to Noel 26 -3. Sarah came back to get up against Robyn in a close game 22 -19. With games equal Sarah and Kath played a blinder to beat Judy and Noel 26 -12.

Well done Maleny -winning the round two games to one. The Bray competition is looking good.

The golf croquet players played three games on lawn two on Sunday. Wallace Roy and Gary Winter beat Brenda Winter and Stuart Craig 7 -2, 7 -5 and 7 -4.

On lawn one association was played. Sarah continued with her good form in the Bray beating Helen Andrews 17 -8. Ken Barker and Donna Manning beat Nick Cram 26 -6. Playing conditions were beautiful.

The attached photograph shows Helen Matchett from Caloundra club rolling her blue ball to approach hoop 2.

She is sending the black ball beyond the hoop so that, on making the hoop she can roquet it and continue with the break.

Coaching for beginners and others is available on the lawn from 8 am to 10 am on Saturdays. These are popular sessions in a friendly, relaxed atmosphere.

Play days on the picturesque lawns at the bottom of the show-ground are 1.00 pm for 1.30 pm on Thursdays and Sundays.

Vale Frank Rough

One of Maleny's oldest residents, Mr. Frank Rough, has passed away aged 95 and a half years.

Frank was for many years the groundsman at the Maleny Primary School and well known and respected by the students who attended. In his younger years Frank lived without electricity, a car or a tractor - how times have changed.

He has seen Maleny transform from a rustic town with dirt tracks trodden by bullock teams, to the modern town that we see today - defined by its arts, crafts, coffee shops and influx of newcomers.

Frank was a very hard worker for his beloved community. He was a Life Member of the Historical Society as well as a foundation member of Maleny Seniors.

Frank - "A good friend to all who knew him".

His funeral service will be on Wednesday the 3rd of July at the Maleny Showgrounds Pavilion, 13 Maleny/Stanley River Rd at 11.00am.

R.I.P Frank - Maleny will miss you

Do you want to cuddle a cow?

Well, the Mountain Horse Farm in upstate New York have found a unique way of connecting, interacting, getting close, playing, learning, sharing space, finding wellness and having fun with a herd of cows. They believe that cuddling with a 1,000 pound cow will do wonders for your mental well-being.

Visitors are invited to try the Cow Experience.

Individuals are given a chance to spend some time with the large animals and it costs just \$300 per 90 minute session.

Spending time with animals provides relaxation, healing, awareness, comfort, and mindfulness, and helps you improve your assertiveness and confidence. Say 'goodbye' to your fears.

Could this trend be a winner for Maleny dairy farm owners or is it just another way to make good money?

Can this save the dairy industry?

A Session at the Pub is all good news

Recent research has found that people who are regulars at a pub or club are more trusting and satisfied with life, according to Australian research.

They have broader friendship and support networks than those without a regular watering hole, identify more closely with their community, and they make friends.

The local is a place where people knows everyone, including staff and his in return known to others. The local has become a central meeting place, a convenient location, and has good, quality beer. In rural communities this has become more apparent.

The survey results concluded that the long and honoured tradition in Australia for going down to the 'local' bar for a drink is to socialise and relax with friends.

Arguably the motivation for most patrons of locals is not to abuse alcohol, but instead, to seek out social support.
