Maleny Swap Meet Annual Gathering

THE Historical Motorcycle Club of Queensland Sunshine Coast branch will hold its annual Motorcycle Swap Meet at the Maleny Showgrounds this Saturday March 9th.

That date will mark the 26th consecutive year of the event – more than a quarter-century of knowledge and expertise in machinery, parts and performance being shared and made available for sale!

This year's swap meet will see gates open at 6am for sellers/vendors and then at 7am for buyers and the gen-

eral public. The swap will trade all day until 6pm.

Visitors each year come from all over the state, as well as interstate. Items for sale are restricted to "motorcycle-related" but this provides a wide cross-section of goods such as complete motorcycles, engines, gearboxes, frames, tyres, parts, accessories, riding clothes, books, photographs and paintings, as well as trade and club displays.

The swap boasts a food court suiting a wide variety of tastes.

If you have something to sell, a

swap site will cost \$5. Entry to buy or look is \$5. Camping on Friday or Saturday, \$5 per person per night at the Showgrounds - please contact them by email for details at malenyshowociety@bigpond.com

The Historical Motorcycle Club of Queensland has more than 1000 members statewide and, of those, about 140 live on the Sunshine Coast.

The club encourages the restoration and maintenance of historic, vintage and veteran motorcycles.

Club activities include social rides, show-and-shines and exhibitions which the general public can enjoy while they reminisce over machines from the past.

A club motorcycle must be 30 years old: that is, any bike manufactured up until 1986. Members have bikes ranging from 1912.

For more information the club or swap meet, call Murray Bishop 0404810413. Historical Motorcycle Club of Qld – sharing a love of bikes. For more information visit their web site at <http://www.historicmotorcycle.org.au/>

J.P. Services in Maleny

Justice of the Peace services are offered at the Maleny Neighbourhood Centre on Tuesdays between 9.30am and 12.30pm and on Thursdays between 12.30 pm and 2.30 pm, by a qualified Justice of the Peace. The qualified JP is available to witness documents such as Wills, Power of Attorney, affidavits, land transfer documents and other legal documents.

The Maleny Neighbourhood Centre and the Maleny Library have worked together to ensure that the times Justice of the Peace services are offered in each place do not conflict.

This close association also means that either the Library or Maleny Neighbourhood Centre can re-direct enquiries.

Library: Monday 9AM to 1PM
Friday 1PM to 4 PM

Neighbourhood Centre Tuesday 9.30AM to 12.30PM & Thursday 12.30 to 2.30PM

People wanting to use the service do not have to make an appointment - just turn up with an ID containing a photograph.

Please ring the Maleny Neighbourhood Centre on 5499 9345 and Maleny Library on 5475 8989 for any queries

The Service is also looking for additional JPs to be part of the action on a voluntary basis.

If anyone is a JP and interested, please contact Ruth Kuss by email on: jp.malenylibrary@gmail.com

The Range Croquet Club - Maleny

Two of our players played away on the weekend. Donna Manning returned to Bribie for the Steve Jones tournament and was lucky enough to be playing Steve in the first round.

Considered one of the best players in the world this was a great experience for Donna. The winner of the tournament was Troy McCallum of Bundaberg club and the winner of the plate was Tom Knight of Stephens club. Ken Barker went to Toowoomba and played in the Rene Cole memorial tournament as part of the Darling Downs regional event. The winner of that tournament was Deidre Hardy.

The second division competition was won by Rob Robertson of Point Lookout while the 3/4 division handicap was won by Tim Wright of West Toowoomba. Donna and Ken would both like to thank Bribie and Toowoomba clubs for hosting successful and enjoyable events.

On Sunday, between showers of rain, and on a soggy lawn, Brenda and Gary Winter played a game of golf croquet with no result recorded, though the advice from onlookers was that "Brenda appeared to be ahead". Nick Cram and Vince Carbery also braved the elements to fight out a 15 – 7 result with Nick ahead.

The attached photograph shows Ted Singleton, in our first division tournament last year, finishing a game by "peeling" the red ball through rover whilst sending the yellow ball to a pioneer at hoop three back. He had still to make hoops three and four back, penultimate, and rover with yellow, then peg both balls out. He did that with ease.

Coaching for beginners and others is available on the lawn from 8 am to 10 am on Saturdays. These are popular sessions in a friendly, relaxed atmosphere.

Play days on the picturesque lawns at the bottom of the showground are, it being summer, 2.10 pm for 2.30 pm on Thursdays and Sundays.

For details contact Vince Carbery 54942193 (president), or Priscilla Vickers 54943555 (secretary).

Attached photo: Ted in the process of peeling red through rover.

Maleny Neighbourhood Centre "Fixit Cafe"

Every second and fourth Thursday of the month, a group of handy people gathers at the Maleny Neighbourhood Centre to mend your broken items for a \$5 donation.

Organiser Jim wants more Maleny locals to make use of the service. "We've got a large capacity here," he said.

The Cafe's volunteers were always willing to hand down their knowledge and teach people how to extend the life of their belongings.

Quota Supports Flood Appeal

Once again Maleny's Quota members are actively helping others with their events and fundraising. Towards the later part of last year, their members raised funds for the Drought Relief. Our farmers in North West Queensland have now suffered significant stock losses and financial hardship as result of the recent flooding. Quota International Club of Maleny continues to support our farmers and have planned a street stall, selling the tasty and useful goodies they have become famous for - please support them and our farmers on 14th March!

All funds raised to benefit our farmers, we hope to see you on the day.

Maleny Cricket Club

Maleny's U16's had good win in their T20 on the week-end. All the boys bowled well, Benny, Geoffrey and Tyler picked up a wicket each!

Jack and Jonty took a couple each. Chasing 97 for a win Hamish scored a masterful 50 retired and was well supported by Jonty who got 40 odd. Benny finished the game off with his highest score of the season 5.

Our 5ths looked dead and buried at 8/107 in the 18th over, chasing 215 for the win as the early fireworks from Todd 35 and Reggie 22 fizzled out. Enter Bailey and Benny B. They frustrated the Cabo boys with some good shots and sneaky singles and when they took a breath we needed 39 off the last 10. They did it in a canter with 2 overs to go. Benny 49 no and Bailey 36 no.

Both of them never looked in trouble and played some cracking shots on the way to an unbroken 108 run partnership.Well done boys!

Maleny & District Men's Shed

The Men's Shed is a community-based, not for profit organization that is accessible to all men. There are about 1000 Men's Sheds spread throughout Australia with about 180 in Queensland. The Shed's primary purpose is to provide a safe, friendly environment where men are able to work on meaningful projects in the company of other men and of course talk about 'blokie' stuff we also provide education sessions relating to men's health.

Shedders have a wealth of skills, hidden talents and an array of hobbies performed by members.

Our steamer group were very happy or should I say 'Over the Moon' to receive vintage stationary steam engines donated by John. The engines have been passed from father to son and have been kept in an exceptional condition given their age.

The engines were an instant hit with machinist, steam ticket holders and likeminded hobbyist's admiring the units and discussing all aspects of steam power.

These units will be displayed with other steam engines that have found their way to the shed.

We thank John for his generous donation and know how difficult it is to part with these family heirlooms

Trade skills are not a requirement for Men's Shed as everyone has something to offer!

Men's Shed meet each Tuesday between 8am and noon at the Pioneer Village located on Bryce Lane.

Contacts for the Men's Shed are: Peter Fitzgibbon 54999197, Glenn Todd 54358552 and Wayne Schultz 54358006 or by email at:

Dark Sky Park

Weather permitting, this coming Saturday 9th March is the next public star viewing session at Dark Sky Park on the Community Precinct.

South East Queensland (and Maleny) is very lucky indeed to have such an excellent new dark sky viewing site. The Brisbane Astronomical Society (BAS) teamed up with the Maleny Golf Club in creating the viewing venue. With support from Sunshine Coast Council, a study was undertaken to find the best viewing site on the Coast. Maleny Golf Club was the equal darkest site of the 13 that were reviewed.

The Golf Club has a generous number of retired scientists and

astronomers, who rarely play golf at night, and so are delighted to share their facility.

Unlike the other coast locations, the MGC comes complete with public toilets, facilities and a viewing deck, just 5 metres away from the telescopic site.

Combined with the recently approved Sunshine Coast Urban Lighting Master Plan, which will see all the Coast's 30,000 streetlights replaced with International Dark Sky Association approved lights over the next five years, it is an exciting time for Sunshine Coast, Maleny and Brisbane astronomers.

For details check the BAS website and Face Book page

<http://www.facebook.com/SunshineCoastDarkSkyAstronomers.Australia/>

Please arrive just before dusk to 15, Porters Lane. Free entry - but donations are very much appreciated to pay for the insurance required to hold public viewing evenings such as this one.

Maleny Sports Park “Fig Tree Tales”

The Maleny Community Precinct is blessed with several magnificent fig trees gracing its rolling hills. Last week, the community group working team that is developing the joint project 'Maleny Heritage Park' joined together in clearing the weeds from beneath the beautiful fig tree at the top of MDSRC's lease (on Maleny Sports Park).

With whipper snippers buzzing and mowers at the ready, volunteers from Maleny Rotary, Lions, RSL and MDSRC cleared the way in preparations for a design that will see picnic tables and seating installed under and around the tree's canopy, so that members of the public can better enjoy the magnificent views of the Precinct from this vantage point.

As the new park begins to take shape, the adjoining paddock that is the 5th Light Horse training fields will also become a great addition to the park for casual outdoor family activities, like kite flying,

picnicking and more.

President of MDSRC Greg Williams said "The Maleny Heritage Park team put in a lot of hard work in our first hands-on working bee for Stage 1 of our project, and our team is looking forward to implementing the various elements of the park's design as funding becomes available."

18 holes For Maleny Golf Club

Maleny Golf Club will finally be able to build the last six holes of their much loved community golf course, following the delivery of a Sports

Australia Federal Government grant. Andrew Wallace, Federal Member for Fisher, announced the grant success at a visit to the golf course, and to inspect the future layout

The Community Sporting Fund Grant of \$200,000 will now take the Maleny Golf Club's award-winning course to completion. As he hit a few balls on the day, Andrew Wallace said "By Christmas, Maleny will have an 18 hole course, drawing more tourists, developing young talent and giving all of us a fantastic new way to get active. Thank you to President Max Whitten and the club's many volunteers for their hard work and dedication to this project across 15 years."

Sports Australia receives thousands of applications each year for this funding, that sees 100's of sporting bodies and schools around Australia benefit from funding set aside specifically for sporting equipment

and infrastructure annually.

For the full list of recipients each year, see the 'Grants and Funding' section on their website: www.sportaus.gov.au/home.

Well done Maleny Golf Club!

Maleny's blast from the past!

The photo below shows Charlie Lovegrove's 1919 left hand drive T Ford that drove around the roads of Maleny for many years. The Tin Lizzie as it was known is generally regarded as the first affordable automobile, the car that opened travel to the common middle-class person.

The car was bought new in 1919 when Mr Lovegrove was working in the USA. He returned to Australia in 1922 and took over the running of family farms at Uralba, Beaudesert & Maleny and used the Ford to travel between the farms.

Descendant relatives of the Lovegroves still live locally.

The vehicle was sold in the 1960's and is now in Lismore.

Maleny Neighbourhood Centre raises funds for Townsville

The Maleny Neighbourhood Centre is presently raising funds to assist those in Townsville who have been devastated by the recent catastrophic floods. Many families have lost everything or been displaced with nothing but the clothes on their backs. Kids who have just returned to school, many now need to replace expensive uniforms, books, bags and shoes.

The aim is to raise \$10,000. It sounds a lot, but if we all assist it won't take too much effort to assist our fellow Queenslanders.

One of our MNC members is so concerned about the size and scale of the Townsville emergency that she has offered to double all donations up to \$5000, so please help us raise the other \$5,000.

Imagine if it was your home. Just how would you cope, especially in the very short term when you have left home with absolutely nothing?

All donations are gratefully accepted and you can donate now on line at <https://www.malenync.org.au/crisis-support/>
