State of Origin this Wednesday

Don't forget that this Wednesday night is Game 3 of the 2018 State of Origin. The game will be played in Brisbane and the crowd will be a bit different to game 2.

The bookies might have the Maroons as the underdogs, but rest assured it will be a great game as they will to avoid a series whitewash.

Sunshine Coast Council provides more WI FI internet outlets

Whether you're working, studying, connecting with family or finding your way around, it will soon be easier with free high speed WiFi now available in more locations on the Sunshine Coast.

The council WI FI scheme has been expanding to over 145 access points at 21 locations across the region.

The Maleny Library and Mary Cairns Cross Park are two local WI FI points and the council continues to look for opportunities to expand the WiFi network.

Maleny & District Men's Shed

The Men's Shed is a community-based, not for profit organization that is accessible to all men. There are about 1000 Men's Sheds spread throughout Australia with about 180 in Queensland. The Shed's primary purpose is to provide a safe, friendly environment where men are able to work on meaningful projects in the company of other men and of course talk about 'blokie' stuff.

Men's Shed is not just about men indulging in cuppas and chatting, we also have invited visitors that provide valuable information on a wide range of topics.

Each men's shed identifies with the niche characteristics of the local community and develops its own program to suit that community

- thus all mens sheds are different and have differing activities.

Men's Shed members are actively involved in community events including providing assistance for set up and overflow parking at Pioneer Village during the annual Maleny Show. In recognition of the work performed by all community volunteers, the Maleny Show Society hold a luncheon and members of the Men's Shed joined other participants for a delightful meal with pleasant company.

If you need more information have a chat to any of the gents at our fortnightly Woolies sausage sizzle.

Trade skills are not a requirement for Men's Shed as everyone has something to offer!

Men's Shed meet each Tuesday between 8am and noon at the Pioneer Village located on Bryce Lane.

Contacts for the Men's Shed are: Peter Fitzgibbon 54999197, Glenn Todd 54358552 and Wayne Schultz 54358006.

Old spectacles find new life!

The Maleny Blackall Range Lions Club has provided a collection box for Maleny Neighbourhood Centre, and would appreciate the support of the Maleny Community in donating spectacles, sunglasses and old mobile phones that are no longer needed.

The box is at MNC reception area. The Lions Recycle for Sight Australia in the last 10 years has collected close to 4 million pair of spectacles. The Centre has shipped close to 3.5 million pair throughout the world, including several countries in Africa, the Middle

East, India and Pakistan, Sri Lanka, Bangladesh, as well as the smallest islands in the Indonesian Archipelago Pacific.

This program which has an estimated annual value of \$100 million humanitarian aid gives people a chance to function in their day-to-day lives in developing countries.

You too can help out simply by dropping your old phones and specs into the Neighbourhood Centre.
