More storms are predicted!

SEVERE storms could bring heavy rainfall and damaging winds to parts of southeast Queensland this week as temperatures are expected to soar.

With temperatures in the Sunshine Coast area predicted to remain in the 30 - 35 degree range the BOM predicts that thunderstorms would most likely impact the area around the Sunshine Coast hinterland to Gympie and Gayndah, with a possible risk of large hail.

This weather pattern ensures that the Fire Rating remains high in our area.

During extreme heat it is easy to become dehydrated or for your body to overheat.

Babies and young children and people aged 65 years and over may be at increased risk of heat-related illnesses and need special care in hot weather.

So, drink plenty of water, even if you don't feel thirsty and stay out of the sun during the hottest part of the day. If you do have to go outside, wear a hat and sunscreen, and seek shade.

Remember that alcohol dehydrates your body so take it easy.

Maleny & District Men's Shed

The Men's Shed is a community-based, not for profit organization that is accessible to all men. There are about 1000 Men's Sheds spread throughout Australia with about 180 in Queensland.

The Shed's primary purpose is to provide a safe, friendly environment where men are able to work on meaningful projects in the company of other men and of course talk about 'blokie' stuff we also provide education sessions relating to men's health. Men don't talk "Face to Fact - they talk Shoulder to Sholder" - "Doing stuff together and passing on the skills and traditions of those skills.

Sunshine Coast Council has shown their support for the Maleny Men's

Shed providing financial assistance through their grant programme.

Council grants have enabled the Men's Shed to upgrade equipment and electrically fit-out our new shed with lighting and an abundance of power outlets alleviating extension cord trip hazards. We endeavour to provide a safe envi-

ronment for members and Council support is extremely appreciative.

Trade skills are not a requirement for Men's Shed as everyone has something to offer!

You know - they also have a Mens Shed Program in Ireland. It was frmed in January 2011. Their aims and objectives are almost identical to those of the Mens Sheds throughout Australia.

Men's Shed meet each Tuesday between 8am and noon at the Pioneer Village located on Bryce Lane.

Contacts for the Men's Shed are: Peter Fitzgibbon 54999197, Glenn Todd 54358552 and Wayne Schultz 54358006 or be email at:

Your Club in Profile:

Maleny Bushrangers Rugby Club

The Maleny Bushrangers Junior Rugby Club was founded in 2001, with the aim of providing an opportunity for girls and boys in Maleny and surrounding areas to play the game of rugby.

Run entirely by volunteers, the club boasts a wonderful community spirit, and has grown to now have a reciprocal seniors club, playing in the Reserve Grade competition.

We welcome new players and volunteers to help at matches.

Training for the junior club is on Thursday afternoons from 4:30 – 6pm at the Witta Rec Club, 371 Witta Road, Witta.

Most matches are played on Saturdays in locations ranging from Noosa to Caloundra, and approximately three home games in Maleny per season.

The girls teams play their matches on Friday evenings. Pre-season training always begins in February, with official matches starting after Easter, and the season drawing to a close in late September.

Range Croquet Club Maleny Results

Eighteen players from Range Care visited the lawn on Tuesday morning and, in stunning conditions, had a very pleasant time.

On Thursday Donna Manning played Kath Smith. Donna made two nice breaks of 6 and 5 to win 14 – 6 while Bev Sockhill and Gillian Bradley played a friendly training game of association on the same lawn.

A very enjoyable social "come and try" day was held on Saturday as a follow up to the Australia Day function and several players came out to enjoy the fine weather.

The attached photograph shows Gillian Bradley, one of our members, at the "come and try" function in a typical stance of player who has just missed a hoop.

The body language is "How could this happen To me???" Some-

times hoops have teeth.

Helen Andrews and Ken Barker played opportunistic croquet to beat Vince Carbery and Nick Cram 14 – 5 on Sunday.

Play days on the picturesque lawns at the bottom of the showground are, it being summer, 2.10 pm for 2.30 pm on Thursdays and Sundays.

For details contact Vince Carbery 54942193 (president), or Priscilla Vickers 54943555 (secretary).

Saturday mornings at 8 am there

are lessons for beginners on the courts in the showgrounds.
