The Variety Bash "Woodstock at Witta is Back"

Don't forget to keep the date Saturday March 30th free - when "Woodstock at Witta" returns, brought to you by Car Number 789, driven by The Divine Divas!

Gates open 5.30pm at the Witta Rec Club, when some fabulous local bands will be rocking on and playing until 11.30. There will be plenty to eat and drink. Come along and rock and roll in the paddock to

The Undecided

My Cat Nellie

My Fur Coat

Richo and the Killers

and more, with sound by DWSounds.

Once more the Divine Divas will be fundraising for Variety (Queensland) - The Children's Charity. Drivers who want to take part in the Variety's Queensland Variety Bash, taking place in August, must first pledge to raise \$8,000 per car to enter.

All funds generated by all entrants in the Bash are donated to Variety - the Children's Charity.

The four Divas thank the wonderful Kelly Cork, well known local muso and songwriter for donating his time to organise everyone.

They hope to see you at this family friendly event - please help them to help the kids!

Entry is by ticket at the gate: adult \$20, high school students \$10 and kids free.

Look out for Car 789's other fundraising ventures between now and August, you'll know the Divine Divas when you see them!

Photo Below: :

The Divine Divas, Jane, Desley, Marianne and April will be driving Car Number 789!

About Variety - the Children's Charity

Each year, thousands of kids who are sick, disadvantaged or have special needs, get support from Variety - the Children's Charity, when they need it most.

Variety's mission is to empower Aussie kids who are sick, disadvantaged or have special needs, to live, laugh and learn.

How They Help

Variety helps when others can't. Families and organisations can turn to Variety - the Children's Charity when government assistance isn't available.

They provide support through grants for children and families for things like mobility equipment and wheelchairs, communication devices and education aides, medical items and service, therapies and much more.

J.P. Services in Maleny

Justice of the Peace services are offered at the Maleny Neighbourhood Centre on Tuesdays between 9.30am and 12.30pm and on Thursdays between 12.30 pm and 2.30 pm, by a qualified Justice of the Peace.

The qualified JP is available to witness documents such as Wills, Power of Attorney, affidavits, land transfer documents and other legal documents.

The Maleny Neighbourhood Centre and the Maleny Library have worked together to ensure that the times Justice of the Peace services are offered in each place do not conflict.

This close association also means that either the Library or Maleny Neighbourhood Centre can re-direct enquiries.

Library: Monday 9AM to 1PM
Friday 1PM to 4 PM

Neighbourhood Centre Tuesday 9.30AM to 12.30PM & Thursday 12.30 to 2.30PM

People wanting to use the service do not have to make an appointment - just turn up with an ID containing a photograph.

Please ring the Maleny Neighbourhood Centre on 5499 9345 and Maleny Library on 5475 8989 for any queries

The Service is also looking for additional JPs to be part of the action on a voluntary basis.

If anyone is a JP and interested, please contact Ruth Kuss by email on: jp.malenylibrary@gmail.com

Would you like your photo to be seen by over 2000 others? Then it's time to start thinking about entering the Rotary 2020 Calendar Photo Competition.

You could be one of the thirteen winners whose photographs will appear in the next Maleny Rotary Club Calendar. All profits from the calendar sales go towards local and regional projects for those who need assistance.

Organiser Lionel Tilley from Maleny Rotary said "Photographs must reflect the unique identity of Maleny and the Hinterland, such as community spirit, life and lifestyle, iconic features, scenery or events."

Entry forms from Ray White Real Estate or Montville Newsagency.

Entries in 200 x 300mm landscape format (minimum size 1MB) must be delivered to Ray White, Maple Street, Maleny by the deadline, 14th June 2019.

First prize is \$500, second prize \$250 and third prize \$150. Ten other winners receive \$50 IGA vouchers!

Contact Lionel on 5429 6629 for more information.

“Discovering” Cecilia Payne

In this celebratory time of women being recognised internationally, here's a great story. Since her death in 1979, the woman who discovered what the universe is made of has not so much as received a memorial plaque.

Her newspaper obituaries do not mention her greatest discovery. Every high school student knows that Isaac Newton discovered gravity, that Charles Darwin discovered evolution, and that Albert Einstein discovered the relativity of time. But when it comes to the composition of our universe, the textbooks simply say that the most abundant atom in the universe is hydrogen. And no one seems to wonder how we know.

OH WAIT LET'S TALK ABOUT CECILIA PAYNE..

Cecilia Payne's mother refused to spend money on her college education, so she won a scholarship to Cambridge. Cecilia Payne completed her studies, but Cambridge wouldn't give her a degree because she was a woman, so she said to heck with that and moved to the United States to work at Harvard.

She was the first person ever to earn a Ph.D. in astronomy from Radcliffe College, with what Otto Strauve called “the most brilliant Ph.D. thesis ever written in astronomy.”

Not only did Cecilia Payne discover what the universe is made of, she also discovered what the sun is made of (Henry Norris Russell, a fellow astronomer, is usually given

credit for discovering that the sun's composition is different from the Earth's, but he came to his conclusions four years later than Payne—after telling her not to publish).

Cecilia Payne is the reason we know basically anything about variable stars (stars whose brightness as seen from earth fluctuates). Literally every other study on variable stars is based on her work.

Cecilia Payne was the first woman to be promoted to full professor from within Harvard, and is often credited with breaking the glass ceiling for women in the Harvard science department and in astronomy, as well as inspiring entire generations of women to take up science.

Cecilia Payne is awesome and everyone should know her.

Cutting Cane in Maleny

With thanks to the Maleny Historical and Cultural Society, we wanted to share this beautiful picture of Edgar and Edward Lawley cutting cane to feed the cows in 1916.

Fred Porter recorded that sugar cane, often known locally as cow cane, was the first crop planted on the range - and called "Bullock Fodder" by Francis Dunlop.

Then Buffalo Couch grass was introduced, with Paspalum arriving about 1903, and Rhodes grass soon after. There was a severe drought in 1919 and in the early 1920's, Alfred Collard introduced Kikuyu which quickly spread all over the range. It became known as "Collard's Curse" but has proved to be hardy and nutritious for cattle, loving the Blackall Range conditions.

"International Bagpipe Day"

I am sure that you all will want to know this important fact - March 10th every year: is International Bagpipe Day.

It is a day initiated by The Bagpipe Society to celebrate the world's many bagpipes and piping traditions. What else can we have a day for???

The Range Croquet Club - Maleny

The Range Care group visited on Tuesday. Eighteen had morning tea and a game on the lawn. Conditions were benign with only the odd shower punctuating sunny, pleasant spells.

This is a wonderful group to play with. Come down to the lawn on the first Tuesday of the month and improve your hoop running skills playing golf with them. You'll enjoy it.

A wide variety of activities persisted on Thursday. Donna Manning was very helpful with Gary Winter and Gillian Bradley playing a friendly game of association. Sally Adams and Bev Sockhill held Brenda Winter to a three all draw at golf. On lawn 1 Ken Barker and Donna squeezed ahead of Nick Cram and Kath Smith 10-9 in a tight association game.

Sunday and beautiful weather brought people to the lawn. Sarah Widin and Nick played well to beat Vince Carbery and Kath 14-8. On lawn two Stuart Craig and Donna soundly defeated Ken 9-7.

Coaching for beginners and others is available on the lawn from 8 am to 10 am on Saturdays. These are popular sessions in a friendly, relaxed atmosphere.

Play days on the picturesque lawns at the bottom of the showground are 2.10 pm for 2.30 pm on Thursdays and Sundays.

For details contact Vince Carbery 54942193 (president), or Priscilla Vickers 54943555 (secretary).

Burgers and Bikes

The Blackall Range Lions were out in force serving up several 100 of their great burgers and more at the annual bike swap meet at the Maleny Showgrounds last weekend.

Beautiful weather drew large crowds, and the Lions were kept busy serving breakfasts, lunch and dinners over the 2 days.

All funds raised will be donated to the Townsville Flood Appeal.

Witta Tennis Club

With the threat of rain throughout the day, Maroochydoore Sapphires and **Witta Wagtails** managed to enjoy their tennis finishing with the Sapphires as winners.

Whistlers played at Ballinger against the Breezers. It was very hot and humid. We had very good games with lots of rallies and deuces. We tried hard for every point. In the end we had a good win and had enough for the day. Score was 44-25 games, 7-1 sets. Team was Donna Kuskopf, Aki Lepper, Paula Cudmore and Brenda Warner.

The Wildcats were at home to Nambour ZTA Novas. Pauline Fraley, Annie Stewart, Stacey English and Libby Howlett came out strong and continued the pressure for the rest of the day. Just a bit of a hiccup at the end with an injury to one of our players but we were far enough ahead to bring the win home. Final score was 5-3 sets; 36-32 games.

First day of the 2019 Division 2 Vets did not disappoint. **The Wikings** played Nambas at

Witta and renewed their rivalry on a bloody hot day. Lots of sweating, clothes off, on, off and back on, cramps and fantastic tennis. Almost too close to call in a very enjoyable and friendly match, but the Wikings just got over the line. Thanks to Nambas for the great tennis and thanks to the Wikings for seeing out the day. Check us out at www.wittatennis.com.au for the team photos.

The **Witta Wompoos** made a slow start to the 2019 season with a comprehensive 10 sets to 2 loss to the Nambour No Worries. The team of Donna, Annette, Denis, Jim, John and Andrew battled hard in the hot and humid conditions but had little to show for their efforts. Congratulations to the Nambour team who were clearly the better side on the day. A special thanks to John Poole who filled in to complete the team.

The Witta Tennis Courts are located at 351 Witta Road.

Community Solar Grants

Andrew Wallace LNP Federal Member for Fisher

There are grants of up to \$12,500 available now for community groups in Fisher for solar panels and battery systems to reduce your electricity bills and help cut emissions.

Contact his office 5493 5556 or email

andrew.wallace.mp@aph.gov.au for an Expression of Interest form, due back before 28 March.

MDSRC urges as many hinterland clubs and organisations as possible who want to reduce their electricity utility charges to seek an expression of interest form asap.

If successful, this funding can help reduce the costs of participation for your members in your sport or recreational activity.

Jenny McKay to Retire in 2020

Last Thursday, Division 5 Councillor Jenny McKay announced her retirement from Sunshine Coast Council, to take effect at the next local government elections due in 2020.

Whilst in Maleny celebrating the recent achievements at Pattermore House, Jenny told the media present "I would like to take the opportunity of thanking the communities of Division 5 and the broader Sunshine Coast for supporting me over the past 20 years. There are many things I still hope to achieve before the end of this term and would like to assure everyone that it is business as usual."

Jenny is known for her capacity for hard-work, with Div 5 the largest in the Sunshine Coast Council, delivering many projects throughout all of the communities she holds dear over the last 20 years.

Her Face Book page has been inundated with comments of support and thanks, and it is clear to see what a popular and respected councillor Jenny is.

We are confident in saying that Maleny residents are extremely thankful for her years of service, delivery and commitment, and MDSRC joins in wishing Jenny her well deserved retirement.

Restoring Fairview for the Future

Sunshine Coast Council was delighted to unveil the recent restoration works last Thursday at the Council-owned and heritage-listed Fairview (also known as Pattemore House) at North Maleny.

The works included the installation of a front timber fence, the construction of a new timber pergola and new timber clothesline, the reinstatement and restoration of the front garden path, garden bed upgrades and a front timber step upgrade.

The works form part of a series of planned annual conservation works guided by recommendations from Fairview's Garden Restoration and Recreation Master Plan.

Councillor Jenny McKay said the works highlight the significance of Fairview within the community.

"These works demonstrate council's commitment to protecting and preserving the future use of Fairview, or Pattemore House "

Cr McKay said. "As our region continues to grow, it is more

important than ever to preserve our historical sites. Fairview shows us an insight into the early development of Maleny as an agricultural settlement and the pattern and expansion of the dairy industry in Queensland in the early 1900s.

I would like to thank Friends of Pattemore House for their assistance during the works and their role in researching the history of the house and providing their feedback throughout the master plan process."

Small amounts of cultural heritage material were discovered and included ferrous metal (iron) such as nails and pins and a mower blade, glass fragments, a 20th century cotton sports sock and a low denomination Thai coin minted with southeast Asian style script.

Although mostly unremarkable, these items have the potential to help illustrate the lives of the people who lived here in the past and will be displayed at Fairview in the future.

As a state heritage listed site under the Queensland Heritage Act 1992, the Fairview Management Plan required approval from the Department of Environment and Heritage Protection for works to proceed.

These works were funded through Cr McKay's discretionary funds program. Any future works will be subject to available funding and prioritised on an as-needs basis.

Pattemore House in Porter's Lane North Maleny is open to the public on the last Saturday of each month except December, between 1p.m. and 4 p. You are invite to visit them on there next open day Saturday 30th March.

Second Best country drive in Queensland

Following a survey conducted by the RACQ through its "Road Ahead" magazine to determine Queensland's top 10 road trips the Sunshine Coast Hinterland been voted the second-best road trip in Queensland.

The winning two-hour trip spans from Brisbane to Montville, winding past the Glass House Mountains, Maleny and Montville in a trip that highlights the Hinterland's star tourist attractions.

It was determined that the area has the perfect combination of natural attractions and major events to keep all in the family satisfied.

Drivers looking to make the most of their road trip are spoilt with places to stop, be it Maleny's Maple St, a walk through Mary Cairncross Scenic Reserve or stopping in at Montville to explore the Kondalilla National Park.

The area also has many art galleries that proved popular with the day tourists. And here we are lucky enough to live here permanently - just how good is that?

Just don't tell anyone as everyone just might want to live here.

Maleny Proposed Service Station Update

from Councillor Jenny McKay

The State Government response for the proposed Maleny service station arrived late on Friday afternoon. It is an approval with conditions.

Council's statutory decision period under the Planning Act 2016 will now commence and all feedback and comments made by members of the public will be taken into consideration as part of the assessment against the planning scheme.

Under the requirements of the Planning Act 2016, council has until 18 April 2019 to determine the application and, being code assessable, the applicant has the option of taking a 'deemed approval' if Council's decision is not made by this date.

You may recall from earlier updates that the proposed development layout has changed such that the canopy and bowsters now face away from Bunya Street (i.e. towards Cudgerie Street and Lawyer Street), and vehicle access has been removed from Bunya Street altogether.

The development also no longer proposes a food and drink outlet.

This information will be available on developmenti@sunshinecoast.qld.gov.au

For the Bloggers Out There.....

With the new MDSRC website up and running, Maleny community organisations are invited to submit their musings for display on the blogs page:

<https://malenysportandrec.org.au/blog/>

Blogging is another way that volunteer groups can reach visitors to the site, and are a great way to communicate in conversational style with readers.

Subject matters can cover a wide variety of topics, the possibilities limited only by your imagination, remembering that MDSRC's website is a community-themed platform. So if you've got something to say about your group, life in Maleny or something interesting to share with others, don't be shy and - feel free to get blogging!

Guidelines For Your Blog

- keep it positive, entertaining, informative
- include links to other pages/sites if they are pertinent to your story
- up to 400 words
- always include a good image as a decent sized

file (at least 1 MB if possible)

- submit your blog text and image to:
malenysportspark@gmail.com

What is Blogging?

Blogging has quickly become one of the most popular ways of communicating and spreading information and news. It's a great way to express yourself and also a fantastic way to share information with others.

Blogs are typically run by an individual or a small group of people to present information in a conversational style.

The only real difference between a blog and other types of website is that blogs are regularly updated with new content, displayed in reverse chronological order (newer posts first).

Typical websites are static in nature where content is

organized in pages, and they are not updated frequently. A blog is dynamic, and it is usually updated more frequently. Blogs can be part of a larger website, where they regularly present content.
