Maleny's TS Centaur Unit Needs You

TAs many will know, Lieutenants Linda and Eddie Vann have been at the helm of the The Australian Navy Cadets TS Centaur unit for several years.

Supported by the Royal Australian Navy, they head a voluntary youth organisation, open to young people between 12 (turning 13 in the current calendar year) and 19 years of age. The unit provides a unique opportunity for youngsters from Maleny and surrounds to acquire skills in leadership, self discipline

and teamwork by taking part in sailing, kayaking, power boating, bushwalking, rifle shooting, drum band, parade activities, organised camps with other units and many other activities.

There are some 82 Units across the country with between 20 and 80 cadets and Maleny can be rightly proud of the young men and women who represent us at so many official and other functions throughout the year.

But it is time for both Eddie and Linda to retire, and they are to resign from the Australian Navy Cadets to spend some of their twilight years with more time to themselves!

They will not be continuing beyond the end of 2019, and need to find replacement Staff quickly to enable training and handover to occur as seamlessly as possible.

They seek interested personnel in the community who are willing and able to take over the reins and to that end will be able to offer support as Unit Support Committee Members in areas

where assistance is needed.

There is no requirement for a Defence background, and following is a brief outline of the requirement and commitment:

- Must be an Australian Citizen
- Will need a Blue Card and Police Check
- Defence Background advantageous
- Skills in Sailing, Kayaking, Training and Bushwalking would help.
- Cadets Parade every Wednesday evening from 1730 to 2100, except during School Holidays
- There will be some weekend activities and at least one 7 day camp per year
- Must want to work with both boys and girls between 12 and 18 to provide training with a maritime emphasis
- There is a small Cadet Force Allowance paid to ANC Staff members

It would benefit the Unit if suitable

personnel could be found as early as possible. The reality is that if there are no replacement staff in position by the end of this year, then TS Centaur will have to be closed down.

This would be a sad day given the amount of support the Cadets have provided to the community since 1996. It would also mean that the Unit Building on the Showgrounds would revert to Sunshine Coast Council ownership under our current tenancy agreement and the youth of Maleny and surrounds would be denied a valuable environment to grow up in.

Any assistance you are able to provide in introducing potential applicants to Linda and Eddie will be greatly appreciated - please contact them asap on 0402 060 050 Email: Edward.Vann@navycadets.gov.au

Thank you Maleny Credit Union

Our organisation MDSRC was lucky enough last month to be a beneficiary through the Maleny Credit Union's generous Clubs Rewards program, for the amount of \$100!

Like all voluntary organisations, this windfall will most definitely help MDSRC in day to day running costs or projects on the boards.

The MCU program works like this - during each month, all loans approved and drawn by anyone from

MCU are given the opportunity to support their local club of choice - by way of donation back from MCU's Clubs Rewards Program.

In January, our club was chosen, woo-hoo!

To date MCU have given close to \$11,000 back to the community through this program. Thank you! To find out more about it all, contact Nicole at the MCU nic@mcu.com.au

displays inside this 1907 elegantly built farmhouse.

Then it's time for afternoon tea on the veranda, home-made by the Friends of Pattemore House.

We look forward to welcoming you on Saturday at 15, Porters Lane, North Maleny. For more info, visit us on Face Book: www.facebook.com/pattemorehouse/

Maleny & District Men's Shed

The Men's Shed is a community-based, not for profit organization that is accessible to all men. There are about 1000 Men's Sheds spread throughout Australia with about 180 in Queensland.

The Shed's primary purpose is to provide a safe, friendly environment where men are able to work on meaningful projects in the company of other men and of course talk about 'blokie' stuff. We also provide education sessions relating to men's health.

Andrew Powell conceived the idea of a bench seat for school kids to sit and chat. He approached the Men's Shed for our assistance and Mal, with other woodies, put their talents together to manufacture an excellent product that once again highlighted the skills of Shed members.

The seat was an immediate success with students, Ethan and Jack

taking up residence for the lunch break and a quick photo shoot.

Trade skills are not a requirement for Men's Shed as everyone has something to offer!

Men's Shed meet each Tuesday between 8am and noon at the Pioneer Village located on Bryce Lane.

Contacts for the Men's Shed is via email at:

malenymensshed@hotmail.com

Recently Andrew Powell and Maleny Men's Shed representatives had the pleasure of presenting a Buddy Bench to the Mooloolah State School principle Alan Poustie.

Maleny's Dark Sky Park

Don't forget the Sunshine Coast Dark Sky Astronomers are keen to share their knowledge of the night skies with you right here in Maleny each month.

They are a group of astronomers seeking to preserve the night sky from light polution and share the wonders of the stars with the Maleny community. They hold regular public star gazing evenings at their Maleny home, the Maleny Golf Club and ask when you turn up (on dusk) that you dim your lights for the comfort of all as you arrive to park, wear warm clothing and make a small donation on the night.

In exchange you can expect a laser pointer education to explain what is going on, prior to being able to experience the stars by looking at them through their enormous telescopes, each set to view wonderful stars in close up.

Or bring your own - they are always ready with advice and pointers!

Talking LAW – with Lember and Williams

Interesting Court Applications

We caught up with Maleny lawyer Carolyn Williams, who relayed an interesting example of what can happen when your Will is not properly made.

In December 2018, the defacto partner of the deceased applied to the Brisbane Supreme Court for an order that a video recording her deceased partner had made (and retained as a file on his personal omputer) be declared his valid Will.

The deceased was to purchase a new motorcycle, and on that morning his partner asked him to make a video to record his testamentary intentions. Very unluckily, later that day he was involved in an accident, sustaining significant injuries that resulted in his death.

He recorded his wishes that "everything goes to" his defacto, with further money set aside for his daughter's education, and stated he would "fill out the damn forms later". He also made clear that his estranged wife was not to receive anything from his estate.

His estranged wife opposed the application, alleging the video was not

intended to be the deceased's Will.

However, the Court found that the deceased did intend the video to operate as a Will, and accepted that he had testamentary capacity at the time of making the video recording.

The video was consequently declared to form the Will of the deceased.

The Court Application was stressful, very costly and time-consuming for all of the parties involved, highlighting that it's far more certain and cost effective to organise your affairs by preparing a properly written Will addressing disposition of your assets in a timely manner.

Carolyn works from her Maleny and Caboolture offices; you can see her at either office by calling 5495 1499.

Range Croquet Club Maleny Results

On Thursday Bev Sockhill and Brenda Winter played two games of golf against Sally Adams and Gary Winter beating them 7 – 5 in the first game and 7 – 6 in the second.

Ken Barker, Frances Harper and Gillian Bradley played a game of ricochet with Ken scoring 8 hoops while Gillian and Frances made 4 apiece. Vince Carbery and Nick Cram put on a late burst after being neck and neck at afternoon tea to win against Donna Manning and Kath Smith 17 – 9.

A stewards inquiry is pending on what was in the tea.

It being the third Friday of the month we had a pleasant visit from 11 players of the Caloundra group.

Brenda and Gary resumed their golf rivalry on Sunday with Brenda still ahead. 7 -5. Meanwhile on lawn 2 Helen Andrews and Kath went down to Sarah Widin and Ken Barker scoring 6 to their 13.

The attached photograph shows

Stuart Craig approaching hoop 2 with his blue ball. He will strike the blue ball to leave the yellow ball behind the hoop and the blue ball just in front so that when he runs the hoop he will be able to roquet the yellow and continue his turn.

Coaching for beginners and others is available on the lawn from 8 am to 10 am on Saturdays. These are popular sessions in a friendly, relaxed atmosphere.

Play days on the picturesque lawns at the bottom of the showground are, it being summer, 2.10 pm for 2.30 pm on Thursdays and Sundays.

Cyclone Oma is powering up and could make landfall this weekend, forecasters have warned.

Whistlers played at Yandina, against Dare Doubles. It was a bit windy, and turned into a very warm day. Good tennis as usual with lots of rallies. We struggled a bit as it was the first match of the year, but got there at the end. Score was 48-16 games, 8-0 sets. Team was Donna Kuskopf, Aki Lepper, Paula Cudmore and Brenda Warner.

The Wildcats were at home to Yandina. First game of the season is always a bit of a struggle. Pauline Fraley, Annie Stewart, Stacey English and Libby Howlett came out fighting and took control of the match. Final score was 6-2 sets, 41-28 games. Well done team.

Good to see Andrew Powell catching up with the team from the Old Witta School Community Hall at the Witta Market last weekend.

Andrew was there to present them with a windfall - they're very excited about the nearly \$14,000 they picked up through the Gambling Community Benefit und recent round. A much needed new kitchen on its way!

See photo right of presentation.
