Scam Callers are annoying

Daily we hear about friends and locals who have been bitten by internet and phone scams and there appears that there is little that we can do about it. The Australian Communications and Media Authority (ACMA) the release of Terms of Reference for the Scam Technology Project. Scamwatch is run by the Australian Competition and Consumer Commission (ACCC). It provides information to consumers and small businesses about how to recognise, avoid and report scams.

The Minister for Communications and the Arts, Senator the Hon Mitch Fifield, has asked the ACMA to identify practical solutions for addressing the consumer harms caused by international scam callers. In December 2018, the ACMA established the Scam Technology Project, to explore practical technological solutions to address the rise in scam calls over Australian telecommunications networks.

Experts in cyber security, competition and telecommunications from the ACMA, the Australian Competition and Consumer Commission (ACCC) and the Australian Cyber Security Centre will explore technological solutions to combat scam calls.

Research undertaken by the ACMA on unsolicited calls in Australia showed that more than half of Australian adults receive scam calls daily or weekly. We know how tired Australians are of scam callers. We shouldn't have to be worried about who may be calling us.

A discussion paper seeking views on potential solutions will be released by the ACMA in coming weeks and a final report is due to the Minister later this year.

In the meantime, the best way to protect yourself against scammers is to stay informed on the latest scams and report activity of this nature to <http://www.scamwatch.gov.au>, which is operated by the ACCC. We all need to remain vigilant about protecting our personal and financial details when interacting on the phone; if you think it could be a scam call, it probably is.

For those who are interested in the Terms of Reference for the Scam Technology Project can have a look at the web site <https://www.acma.gov.au/> for more information.

LOCAL NOT FOR PROFIT ORGANISATION GRANTED FULL CHARITY STATUS

Smart Living Society Limited is pleased to announce that on March 19th they were granted “Public Benevolent Institution” standing, and on March 22nd the Australian Tax Office advised they would also enjoy “Designated Gift Recipient” (DGR) Status. Witta Tennis Club

In spite of the heat and **Witta Wagtail's** loss to Kawana Kool Kats, the competition and tennis

between the two teams was enjoyable. Two of the Wagtails' players were out due to injury, but we would like to thank Michelle for helping us out on the day. Also, thank you to Gerry, Jan and Sonia.

The Wildcats were at home to Eumundi Echo. It was extremely hot and humid and everyone struggled. It was great tennis with lots of hard fought points. Pauline Fraley, Annie Stewart, Stacey English and Sonia Douglas just couldn't break through. We'll get them next time.

Whistlers played at Mooloolaba against the Legends. It was a very warm day and starting with close sets we were exhausted already. All the sets were so close with lots of deuces. It was a great tennis and we all had enough tennis for the day when we finished. And we brought a win which was a great bonus! Score was 42-37, 4 sets all.

Team was Brenda Warner, Donna Kuskopf, Aki Lepper and thanks Ros Evans for filling in.

The Witta Tennis Courts are located at 351 Witta Road.

If you need any further details please do not hesitate to contact Marie on 0437 295 501.

Maleny & District Men's Shed

The Men's Shed is a community-based, not for profit organization that is accessible to all men. The Shed's primary purpose is to provide a safe, friendly environment where men are able to work on meaningful projects in the company of other men and of course talk about 'blokie' stuff we also provide education sessions relating to men's health.

Maleny Men's Shed was formed in 2006.

Shedders have a wealth of skills, hidden talents and an array of hobbies performed by members.

There is no resting on our laurels, after a big couple of weeks preparing for our grand opening it's back to construction work. Mal and Wayne have been busy with preparing footings for the shed expansion.

Financial assistance offered by the Federal Government will help to provide an awning for our shed. The new awning will enhance our operations providing additional space to perform tasks that are more suited to a well ventilate environment.

There is never enough room in any shed and the Men's Shed is

no exception, consequently, we are constantly exploring different avenues to improve the facilities for member's comfort.

Great day with good company, that's what Men's Sheds are all about.

Trade skills are not a requirement for Men's Shed as everyone has something to offer! New members are always welcome.

Men's Shed meet each Tuesday between 8am and noon at the Pioneer Village located on Bryce Lane.

Contacts for the Men's Shed are: 0417 785 548 or by email at: malenymensshed@hotmail.co

Grab a Bargain at the Maleny Library Book Sale

Sunshine Coast Libraries, in partnership with the Friends of Maleny Library, invites readers to grab a bargain at our book sale on Saturday, April 6 from 9am to 12pm.

Community Portfolio Councillor Jenny McKay said it's a wonderful opportunity for residents to nab a book bargain.

"It's a win, win because the money raised at these books sales is usually put straight back into the library to benefit the local community" Cr McKay said.

"However on this occasion, as a special gesture, the proceeds will be donated to Queensland farmers during their time of need.

The libraries are always removing old stock to make way for new titles, so there are lot of great items up for grabs at very affordable prices.

Titles on sale include popular authors and bestsellers, classic books and a range of genres including mystery, romance, thrillers and more.

Young bookworms don't miss out as there is also a range of junior titles on sale. There's even some DVD's and CD's on offer. Bring a bag and make sure you are early to grab a bargain.

So mark April 6th in your diary and help us make this the best book sale ever to support a worthy cause!

All Sunshine Coast Libraries memberships is free and anybody can join. Maleny Library is located at 5 Coral Street, Maleny.

Obligations and Responsibilities of Permit Holders Queensland Fire and Emergency Services (QFES)

Obligations and Responsibilities of Permit Holders Queensland Fire and Emergency Services (QFES) has produced a brochure which is designed to provide awareness of the obligations and responsibilities associated with the use of a QFES Permit to Light Fire (permit).

YOUR FIRE, YOUR RESPONSIBILITY

It is highly recommended that anyone who already has a permit, or is contemplating using fire within Queensland know their responsibilities.

A permit is a legal document and can only be issued by a Chief Fire Warden or a Fire Warden in their area of responsibility. It authorises a person to light, maintain and use a fire only on the land described on the permit, during a set period of time and in accordance with the conditions on the permit, as identified by the Fire Warden.

Lighting a non-exempt fire without a permit can attract serious penalties including on the spot fines or prosecution.

Permit holders: must have the permit in their possession before lighting the fire, must comply with all conditions on the permit, and cannot alter anything on a permit without the consent of the Fire Warden.

If your fire escapes from the planned boundaries of the fire or gets out of control in any way, your obligations are to: take all reasonable steps to extinguish or control the fire, and as soon as is practicable, report the existence and location of the fire by calling 000

To find out more about fire permits visit the web address:

Afternoon Tea to remember

"I remember when" ... you visited your gran and she'd bring out the most delicious and delicate afternoon tea, served on the best china. The best-kept secret in town must be that the Pattemore House ladies up at "Fairview" are serving a pot of tea or coffee, along with a plate of elegantly sized morsels of scrummy treats, home-made from all local produce, for just \$5.00.

Here is what's on the plate this Saturday between 1 - 4 pm at "Fairview" (Pattemore House).

Flourless macadamia chocolate cake (gf) made w ground Pattemore House macadamias, served w cream and raspberries, *Savoury cheese, chive and Pattemore pumpkin scone* w sour cream (gf)

Tiny lemon curd tart made with local eggs and lemons w cream. Add a pot of tea or coffee for just \$5.00 - what great value.

All beautifully served - what are you waiting for?

The other good news is that they have just cooked up a batch of in-season Rosella Jam, from fruits grown on Pattemore land - and it usually sells very quickly.

You can purchase yours, and other delights - from the 'Pattemore Pantry' range of 250 ml jars of jams, pickles and relishes - you'll find cumquat, grapefruit, small-leaved Tamarind, and peach jams,

or try their cherry guava jelly, great on toast!

Pattemore House, open this Saturday for tours and teas between 1p.m. and 4 pm. 15 Porters Lane

Pattemore House

Pattemore House was originally named *Fairview* and built in 1907 by the brothers William, Ernest, Albert and Stan Pattemore after they moved to the Maleny district from Tilba Tilba in NSW.

They were seeking a place with a higher rainfall more suitable to their dairying.

The farm house was built in 1907 from white beech, sourced and pit-sawed on the property.

The Friends of Pattemore House invite you to visit "Fairview" (Pattemore House) the last Saturday of every month 1 - 4 pm

Explore the lives of the families who built, lived and worked there since 1907 via photographs, stories early maps and records

Take a stroll in their steps to the Old Dairy Bails on Maleny's Heritage Trail

Mary Cairncross Scenic Reserve BioBlitz Program

Attend the Mary Cairncross Scenic Reserve between March 28th and 31st and celebrate rainforest biodiversity.

The new Mary Cairncross Scenic Reserve Rainforest Discovery Centre at Maleny is world-class.

Over four exciting days, never-before-seen perspectives of the rainforest reserve will be captured and shared.

A BioBlitz is an event that focuses on finding and identifying as many species as possible in a specific area over a short period of time.

Tree-climbers will take scientists and artists into the canopies of five strangler figs, to study these living skyscrapers and all the different species that call the forest home.

The area was originally gifted to the Maleny community by the Thynne sisters – Elizabeth, Mabel and Mary – with the aid of their brother Ted, in 1941 in honor of their mother, Mary Cairncross.

The area is a remnant of the rainforests that once covered the Blackall Range.

You can get involved in a range of activities. To download a copy of the program visit:

The Range Croquet Club - Maleny

Bev Sockhill and Vince Carbery teamed up on Thursday to play a friendly game against Sally Adams and Gillian Bradley where no scores were recorded.

It was noted however that Bev Sockhill peeled for the first time in her playing career. This feat is carried out by putting your partner ball through its hoop when it is not the striker ball (the ball that you are hitting with your mallet).

Saturday saw Donna Manning and Sarah Widin in a coaching session preparing for the Pennants season which will be upon us next month.

Sunday saw a pleasant return to form by Nick Cram who played well to beat Ken Barker 18 -7. Both

are preparing for the Sunshine Coast Regional tournament where their competition will be played on our lawns on the 9th and 10th of April.

Spectators are welcome.

Coaching for beginners and others is available on the lawn from 8 am to 10 am on Saturdays. These are popular sessions in a friendly, relaxed atmosphere.

Play days on the picturesque lawns at the bottom of the showground are, it being summer, 2.10 pm for 2.30 pm on Thursdays and Sundays.

For details contact Vince Carbery 54942193 (president), or Priscilla Vickers 54943555 (secretary).

Maleny Netball

The 2019 Caloundra and District Netball Season started with lots of enthusiasm for the 7 Maleny teams.

The club was very successful last year and hope to continue on that path this year building skills and having fun.

It's never too late to come and join us, we train on the Thursday afternoon from 3.30 to 5.30pm at the high school and play the same place every Saturday morning in Caloundra.

Any one interested should contact our Registrar Donna on 0428 465 723 and check our Facebook page:
