Queensland Cross Country - a Collaboration

The Queensland Cross Country Championship event held on the Maleny Golf Club's course on Sunday was another great success.

Marvellous weather, more than 400 happy competitors, some keen supporters and streamlined organisation all added up to an event that Maleny can be proud to be hosting each year. As usual, the Maroochy Athletics Club managed the huge organisation on behalf of QLD Athletics, co-ordinating with other Maleny organisations.

Maleny Golf Club closed their course to golfers and provided many helpers before, during and after the races, and the Rotary Club of Maleny proved their Ninja status when it comes to parking for this growing event.

The drone photo below, taken by Penny Edwards shows the very orderly parking was completely contained within the Pattermore House and Golf areas, meaning no cars were parked along Obi Lane.

Rotary did a fantastic job managing the flow of traffic and parking, fully done as a community service and organisers extend a huge thanks to them.

Looking over the site before sunset, you would not know that the paddocks had been traversed by any traffic, with competitors, officials and families leaving little evidence such numbers had been to visit.

Golfers were happy to be back on their course with none of it the worse for wear. All in all, a great sports event for our district and a great usage of the Golf Club and Maleny Precinct facilities.

Trace."Who Killed Maria James"

Maria James, a Melbourne mother was stabbed 68 times in her home. For 37 years police have failed to solve her murder. Her two sons – and one former top cop – have never given up hope. They are reviewing old suspects and uncovering new leads.

This first true-crime podcast presented by the ABC investigative reporter and podcaster, Rachael Brown, Trace sifts through evidence to see whether police missed anything at the time, revisits suspects, and finds a new one of its own.

The story is propelled by three men who've refused to give up hope Maria's killer will be found; her two sons, Mark and Adam James, and one of Australia's best-known detectives, Ron Iddles.

Ron recently hung up his boots with a Bradmanesque strike rate, but this case – his first – well, he's never really let it go. "Someone knows who killed Maria James," says Iddles. "The answer's always in the file.

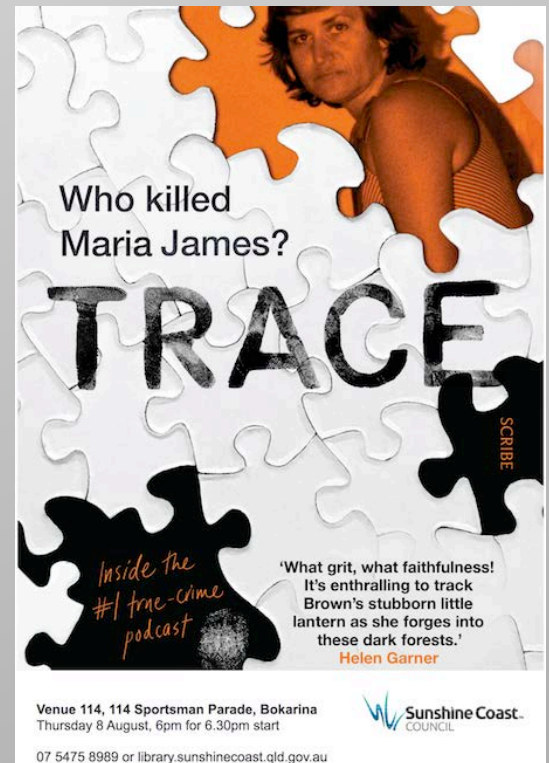

You are invited to hear Rachael in-conversation about this extraordinary true story with special guest Caroline Hutchinson.

This event also includes a book signing along with live music by Shannon Sol Carroll.

Now you can attend an event to hear more. \$25 per person. Bookings are essential. Light refreshments and a cash bar will be available from 6pm.

Trace is a podcast created and presented by ABC investigative reporter Rachael Brown at Venue 114, 114 Sportsman Parade, Bokarina on Thursday 8 August, 6pm for 6.30pm start.

Quota Helping raise funds for Motor Neurone Disease

Jared Ashcroft is a lucky man, with many friends helping him in his quest to raise funds for Motor Neurone Disease.

As he heads towards a Drag Queen Bingo fundraiser on Saturday 17th August at the Show ground Pavilion, and the fun charity race "From Bridge to Brisbane" on August 25th,

his mates at the Quota Club of Maleny supported his efforts by selling raffle tickets for the cause.

Said Jared "A big thank you to Rana and Jan from Quota

Maleny, who braved the chill selling raffle tickets outside Maleny Supa IGA in support of Motor Neurone Disease. And they are always smiling!".

You too can support Jared either by purchasing raffle tickets if you see he and his friends in the street, by buying ticket to attend the Drag Queen Bingo night from

Maleny & District Men's Shed

The Men's Shed is a community-based, not for profit organisation that is accessible to all men. The Shed's primary purpose is to provide a safe, friendly environment where men are able to work on meaningful projects in the company of other men and of course talk about 'blokie' stuff we also provide education sessions relating to men's health.

hinterland, making the gruelling ride up from Cotton Tree to Montville via Obi Obi.

The Maleny 'Shedders' with other volunteer groups assisted with setting up and at the end loading of very expensive bikes onto trucks. Under the direction of event organisers, we assembled at allocated positions and enjoyed the spectacle of

watching the athletes passing, albeit on a chilly hinterland morning.

Bike marshalling is just one of the many services that Maleny 'Shedders' perform to support

community events.

Shedders have a wealth of skills, hidden talents and an array of

hobbies performed by members.

Great day with good company, that's what Men's Sheds are all about.

Trade skills are not a requirement for Men's Shed as everyone has something to offer! New members are always welcome.

Men's Shed meet each Tuesday between 8am and noon at the Pioneer Village located on Bryce Lane.

Maleny Bowls Club

MALENY JACKPOT PAIRS:

On the fourth Monday of each month, bowlers travel from neighbouring clubs including Mapleton, Kilcoy, Woodford and Caboolture Lakes to pit their skills against the Maleny bowlers.

Both full and social members are invited, and indeed encouraged, to put their names down on the whiteboard for this competition. Apart from great prize money (\$100, plus the daily Jackpot) and the opportunity to meet and greet visiting bowlers, the afternoon tea is by far the best in the district.

For an outlay of \$15 you are assured of a great day, with play starting at 11.30am sharp and usually finishing around 4 o'clock.

Fast Bowls is now regularly played on a Sunday at the Maleny Bowls Club commencing at 1:30pm for a 2pm start. No previous experience required at playing bowls is needed. All are welcome to have a fun social afternoon.

Submit your historic photos for 2020 Calendar

Now is the time to dig out your old photo albums and enter the 2020 Sunshine Coast Council Heritage Calendar photo competition which is now open.

The 2020 calendar, Fond Memories, will celebrate people, places and childhood fun on the Sunshine Coast.

The annual heritage calendar provided a wonderful opportunity to reminisce about days gone by.

"This is the fifth year that the public has been able to feature photos from community life in the annual calendar.

"This year's theme, "Fond Memories" is a way to step back in time and relive memories of growing up on the Sunshine Coast.

Community members can dig through their photo albums and send in their favourite photos of the people, places and childhood memories that connect your family history to the Sunshine Coast."

Winners selected for inclusion in the calendar will have their photo credited in the calendar, receive a canvas print of their winning entry, five copies of the 2020 calendar to share with family and friends and an invitation to the calendar launch event.

Entries close at 5pm, Monday, August 12.

The Heritage Levy funded calendar is produced annually to celebrate and remember the region's heritage. It also gives newer residents a look into the past history of our area and some of the areas original settlers families.

To enter, images can be submitted online via council's heritage website or in person through Sunshine Coast Libraries or council's Customer Contact Centres.

Photographs must be owned by the entrant and be available in high resolution digital format, or originals available for scanning.

To find out more about how to enter and terms and conditions. Visit:

Parking in Malenythat is just how it is done!

Ensuring tourists, visitors and local have access to car parking in Maple Street, Maleny is crucial for local business. Sunshine Coast Council is set to undertake works that will provide ongoing parking availability in the future.

The new arrangements would provide more parking spaces for tourists as well as business staff and locals.

Local residents all have an opinion just as how that parking plan should be put into place and the

conditions that provide the most efficient parking plan available.

As can be seen in the attached photos there are a number of options that may appear quite unconventional and slightly strange, but they appear to work at the time.

It is unknown just how these parking ideas would be viewed by the Sunshine Coast Council parking inspectors.

These photos show just two examples of the new parking arrangements.
